Music Production

I am a creative student with an eye for detail, focused on exploring innovative ideas. I aim to develop a broad technical profile. An artistic person and fan of artistic projects, I love blending technical skills with creative expression.

Education

Howest – Independent Game Production
College | 2022 – 2025

In my studies, all aspects of game design are covered. We learn about both the technical side through Unity and C#, as well as the artistic aspects.

Skills

- **Unity & C#**
